2 Scope

This policy defines how WPIA MAY charge for TERACARA CA / RA services.

3 Certificate access fees

There is no charge for certificates issuing in personal accounts.

WPIA MAY charge for certificates issuing in organisation accounts according to a pricing list maintained by WPIA Board.

4 Revocation or status information access fees

There is no charge for certificate revocation and the provision of certificate status information.

5 Registration Authority fees

There is no charge for the verification.

For personal accounts a refund of expenses MAY be given if the approximate costs are given prior to the verification.

For organisation accounts the refund of expense SHOULD cover all costs for all needed services e.g. fees for information from registration office.

6 Fees for other services

WPIA MAY charge an hourly rate or a fee, depending on the services rendered, additional to the fees mentioned above according to a pricing list maintained by WPIA Board.
